

# COME FOR THE LIFESTYLE, STAY FOR THE COMMUNITY.

The rugged landscapes of North Vancouver Island offer endless recreational activities that attracts outdoor enthusiasts. Efforts to create a strong, welcoming community don't go unnoticed. This is a place where people are passionate and proud of who they are and what they do.

Port Hardy, Port McNeill, Port Alice and Cormorant Island are the true North Island.

Island health is hiring:

- ✓ Registered Nurses
- ✓ Licensed Practical Nurses
- ✓ Nurse Practitioners

## Benefits

Island Health offers exceptional employer-paid benefits package including dental and prescription coverage, group life, Municipal Pension Plan, long term disability and extensive extended health plan. Most vacation entitlement starts at four weeks with additional time accrued based on years of service. Relocation assistance (up to \$5,000) may be available (depending on position).

## About Island Health

Island Health provides health care and support services to more than 860,000 people on Vancouver Island, the islands in the Salish Sea and the Johnstone Strait, and mainland communities north of Powell River. With more than 27,000 staff and over 2,900 physician partners, 1,000 volunteers, and the dedicated support of foundations and auxiliaries, Island Health delivers a broad range of health services, including: public health services, primary health care, home and community care, mental health and addictions services, acute care in hospitals, and much more across a huge, geographically diverse region.
